15 Subject: Request to revive the agent of record status of the above-identified
application

Dear Mr. Wieder:

20 According the "Decision on request to withdraw from Record" received on the
end of October 2004, it is to my surprise that my representation as the agent of record
is canceled with Michael Lewis's representation. Michael Lewis submitted the request
to withdraw his representation on 7/18/2003 (see Attachment I) but my representation
should not be affected. Please revive my status as the principle agent of record of the
25 above-identified application and associate this application to my customer number
27765 so that I can keep on monitoring the status of this application from the PAIR
system.

Your timely help will be greatly appreciated.

Respectfully submitted,

Subject: Request for withdrawal as agent

Dear Sir or Madame:

I hereby apply to withdraw as agent for the above identified patent/patent application. The reason for this request is that I am leaving my current office of employment to attend law school.

Although I am requesting to withdraw from the above patent/patent application, Winston Hsu, agent registration No. 41,526, will continue to serve as the primary agent of record for this case. This request for withdraw *does not affect* the status of Mr. Hsu as the principle agent of record for the above-identified case. Consequently, the correspondence address is NOT affected by this withdrawal. Furthermore, as Mr. Hsu will continue acting as the agent of record, my withdrawing from this case will not affect the client's ability to obtain timely representation. Mr. Hsu, as my employer, has agreed to my withdrawal and will continue handling all aspects of this case. I therefore believe in good faith that the USPTO should find this request for withdrawal acceptable.

Sincerely yours,

Mord Michael Lewis, Patent Agent No. 50,478
